The contents of this pdf file can be distributed freely and are available to everyone.

The idea behind doing this was basically that I couldn’t find any chord diagrams that weren’t either being charged for or were too small to read. I figured it should be made available to all... I hope it helps you.

Any omissions or required alterations please contact simon@creedy.com.au so I can put them right.

A noble thank you to Raphael Ettle who helped fix up some chords.
